Fifteen Cents

The DIMMER VIEW

by Max Goodwin

Hello, Governor Jim Mills

In was a different Jim Mills.

Still suave, well-disciplined in speech and as handsome a State Senator as you'll find anywhere, he held his audience captivated as he mastered the ceremonies at the El Cajon Boulevard Civic Association's annual installation banquet at the University Club recently.

His chore: to eulogize a former fellow State Senator — Jack Schrade — who had just two months before suffered the agony of defeat at the hands of the young Democratic Assemblyman — now Senator — Robbie Wilson.

Mills sometimes carries the aloof air of a college professor. (He is a teacher by profession). But once his attention is attracted he is a firm, capable communicator.

Many auto-users have reason to have a low opinion of Senator Mills. If he had his way gasoline would be two cents a gallon more than the oil barons already rip us off for. He wants the money to close strategic gaps in the state's busy highway system. He tends to overemphasize the problem, however, when he likens the gaps to those of a railway system with the rails cut at certain places.

In that matter he is in opposition to the governor's viewpoint — a delicate place to be for a rising politician, unless he, as are about a half-dozen other people, girding their loins for a go at the state's top post.

Gov. Brown had put the brakes on highway building perhaps because his reputation as contemplative thinker rationalizes that if gas becomes so scarce that few can afford it, we won't need more highways on which not to ride. Yet a Senatorial Assemblyman Pro Tem does not cross swords with the head man unless he is building issues on which to mount a campaign.

Mills is a realist. He admits his two-cent gas hike bill has no chance of passing. But he has another gimmick in the cards. He is about to propose that local governments be allowed to add a tax on gasoline for local highway maintenance. This, apparently, would be an override tax from the gasoline cornucopia — a tax above that the state takes for itself with some being returned to cities and counties for local road maintenance.

The need for maintenance is there. The state builds freeway but supplies no funds to maintain them. Some freeways show strong signs of deterioration. Mills prefers the local gas tax over a higher sales tax which he says is inflationary.

The above was mere window dressing for the things of importance which Mills was to say. Close your eyes gently and try to hear these words trickle from his lips. I assure you that they did.

"Preservation of the small business is vital to the welfare of California. Small business is the stabilizing force of our country." Then he admitted that small business needed all the help it could get and he inferred that he might be the one most likely to provide that help. Logic says that as governor, he could.

Why, the man sounded just like a Republican.

Soon, the banquet took on the air of a reunion. The nice things he said about Jack Schrade brought back memories of another day — a day when government had not complicated the good life of good businesses. The 100 or more business and professional people relaxed in the warmth of Mills' concern for the business sector.

The Mills-Schrade amalgam was a perfect one for the occasion.

Almost forgotten in the glow of fellowship and gladhanding was the installation of ECBCA's officers.

They were Myron Lyon, a motel operator, president; Glenn Beardmore, National University, president-elect; Austin Madden, liquor store, vice-president; Chuck Gonzales, banker, secretary, and John Hartnett, building and loan, treasurer.

County Shifts Flood Menace From Street To Resident's Yards

Controversy between the County Sanitation and Flood Control Department and two Lemon Grove homeowners brewed last week when the County put in a new sewer pipe hoping to control flooding at the intersection of Lansing and Colfax streets.

About 300 feet of 24 inch pipe was put in February 11 replacing a clogged 12 inch sewer the County believed to be the cause of flooding at the intersection.

But Craig Lake, one of the homeowners involved, said, "the county finished only half the job."

"Instead of the water flooding the intersection," said Lake, "it will flood our property."

Craig Lake's father, Del, of 1507 Dupont dr., has property adjacent and about 50 feet from where the pipe stops.

Del Lake contacted County Supervisor Lucille Moore hoping to get the county to extend the pipe another 200 feet to a canyon owned by the Flood Control District.

Lake said the county offered to put in the additional pipe to reach the canyon but it would cost the Lakes and three other property owners \$1,750.

Assistant to Supervisor Lucille Moore, D. D. Miller, said the county engineer on the project recommended the pipe to stop after 300 feet.

Based on engineer Louis Kreischer's recommendations, Miller said for the county to continue the pipe beyond would be against a county ordinance preventing "improvements to private property."

"The county can't do it," Miller explained, "We can only make improvements to property the county has under its jurisdiction."

Miller added the three other homeowners at the end of the pipe refused to pay the \$1,750.

But Craig Lake disagreed with Miller about the private property designation.

"Why is it an improvement to our property and not to the eight pieces of property the pipe already crosses?" Lake said.

The official position of the county now is to wait and see what happens after it rains.

Miller said if the Lakes property does get flooded, they might be able to sue the county for damages.

"If flooding does occur," Miller added, "we would probably find out what we could do about it before it went to court."

11 More Days

Election Countdown Starts

Only one full week remains before the Tuesday, March 8 election and the pressure is beginning to build among candidates for Lemon Grove City Council.

Precisely, there are 11 days left but they include a couple of weekends in which little

campaigning can be done effectively. Many are busily trying to ascertain what the other candidates are up to.

The last meeting sponsored by the L.G. Incorporation Committee will be on March 1 at San Miguel school, exactly a week from the day of

election. The meeting starts at 7:30 p.m. and Supervisor Lucille Moore will take part in the proceedings.

All candidates will be introduced from the floor, said Karen Thomson, co-chairman of the Incorporation Committee. Citizens with questions

about incorporation are urged to attend the meeting. Either Thomson or Moore will provide factual answers. There is nothing scheduled for candidates for the L.G. School Board.

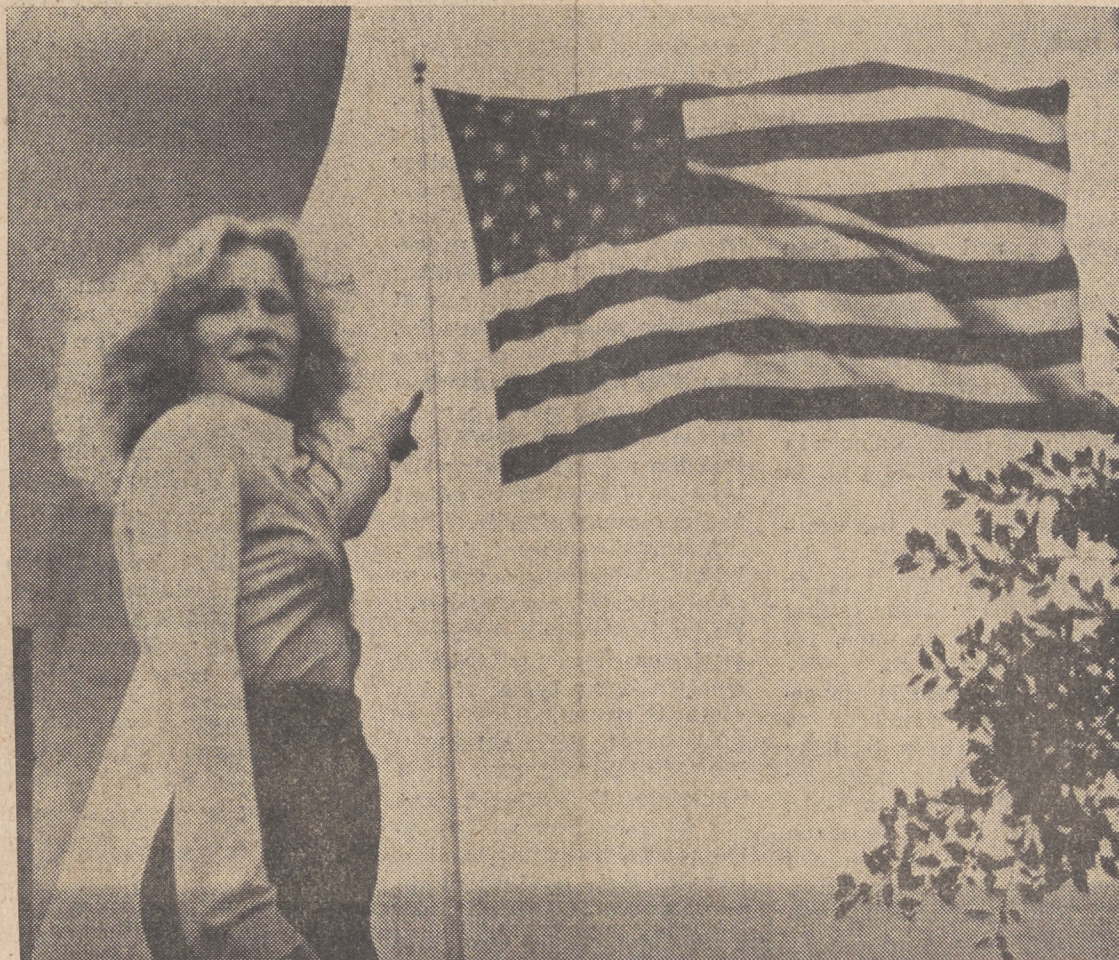

The League of Women Voters are sponsoring candidates' meetings for the various posts being up for election in the east county.

Wednesday night there was a combined meeting for L.G. City Council and L.G. School Board Trustee candidates at L.G. Junior High School. There was also one for La Mesa-Spring Valley trustee aspirants in El Cajon.

Monday, the Grossmont College trustee candidates will attend a public meeting at the Student Center at Grossmont College.

LoVV has scheduled two meetings for Grossmont High school district candidates in successive nights.

The first is Wednesday, March 2 at 7 p.m. at Sears Community Room, Parkway Plaza, El Cajon. On Wednesday, the same candidates will be at Mt. Miguel High School.

BEAUTY AND OLD GLORY — While the S.V. Kiwanis club was asked citizens to write letters to the President and Congress urging a National Patriotism Week, pretty Becky Butram was named Miss S.V. Kiwanis Club National Patriotism Week queen.

Butram points with pride to what is thought to be the biggest business-flown flag in Spring Valley or Lemon Grove. It's 30 x 20 feet, night illuminated, and flies 24 hours a day. Butram is asst. manager of the USA gas station at Broadway and New Jersey sts. in Lemon Grove.

"The flag attracts a lot of attention" Butram said. "It has become a landmark because it

can be seen from the freeway (94). It is especially attractive at night. Many people tell me they are proud to see the big flag flying. I am, too."

Gene Haden, president of the S.V. Kiwanis club, in asking citizens to write letters to their lawmakers urging them to establish a week for National Patriotism said, "There is a Day or Week for practically everything. It is sad that we do not have one to mark the strong patriotism that so many people feel... especially organized groups such as our service club."

The club's Herb Ketell, a Spring Valley developer, is in charge of the project.

Senior Citizen Victim Of Purse Snatcher Here

A black youth, about 20, ripped the purse Yvonne M. Redin was carrying about 11 a.m. February 14.

The victim, 71, who lives at 2038 Bonita st. Lemon Grove, was walking home from shopping when the youth snatched her purse at El Prado and San Pascual sts.

He jumped into an auto which had been cruising behind Mrs. Redin and the auto sped away. \$20 in cash was in her purse.

The purse was found empty a short distance away.

Mexican Line Involved

Feds May Thwart Plan To Dump Grove RR

An official for the San Diego and Arizona Eastern Railway said last week the Interstate may not allow the company to Commerce Commission (ICC) abandon 170 miles of track from San Diego to El Centro.

Among the track the company plans to abandon is a 17 mile spur which runs from San Diego, through Lemon Grove, to El Cajon.

The railroad posted legal notice of intent to abandon last February 11. The company sustained losses of over \$1,200,000 last September 10 when many of the bridges, trestles, and hillside tracks were destroyed in the wake of Hurricane Kathleen.

In 1975 the company lost another \$1.1 million in operations alone.

The President of the Southern Pacific Transportation Company, parent company of SD and Arizona Eastern, Denman K. McNear said, "The line has always been subject to storm damage and expensive to maintain; the amount of traffic it carried was small." McNear added, "The SD&AE is just a line that has outlived its usefulness. It performed a useful service at one time, but its job is done."

The line was put in some 137 years ago as a direct line to San Diego harbor.

The ICC is expected to meet this June to decide the issue. But a railroad official in San Diego disagreed with the company president about the usefulness of the line.

"I don't think they (the railroad) will pull it off," said the official, "It gets into an international thing. We have been running the 44 miles of track between Tijuana and Campo and to abandon would leave

this line with no connections here."

The official said the ICC could rule against the abandonment because of line in Mexico.

"Nothing will be known for

Continued on Page 6

Chamber will Select Six Board Directors

Balloting is underway for the six member Board of Directors for the Lemon Grove Chamber of Commerce.

The six directors will serve three year terms and will be installed at a Chamber Installation Dinner on March 26 at St. John of the Cross Recreation Hall. Balloting is through March 1.

Seeking posts on the board are:

- Griff Clark of the San Diego Pet Hospital,
- Carl Lacki of Bank of America,
- Dave Harvey of Thomas Disposal,
- Emerson Morris of Lemon Grove Alarm,
- Bob Holiday of Lemon Grove Motors,
- Dr. Peter Shea, a dentist,
- Lucille Bull of the Local Community Business Directory,
- Jim Boyd of State Farm Insurance,
- Rod Miller of Trailer Mart,
- Bennie Garland of Garland Glass Co.,
- Bob Sanet, an optometrist,
- and Del Lake of Del Enterprises.

Also on the ballot for a one year associate membership is Dr. Robert Sutton, superintendent of Lemon Grove School District.

50¢ Bar Thrives Until Cops Come

Sheriff's deputies aided by two Alcoholic Beverage Dept. investigators charged Robert Pelton Reid, 59, with operating an alcoholic bar without a license when they visited his business place at 7603 Broadway in Lemon Grove about 10 p.m. February 12.

Police reports show that patrons were purchasing mixed drinks for 50 cents each from a choice of 22 bottles of various types of liquors including bourbon, gin and vodka.

The price was so popular that one patron, from Lakeside, was arrested for being drunk. Other patrons were questioned and released.

Reid claims he lives at the premises. Reid and the Lakeside patron were booked and transported to County Jail.

Purse Lost in Grove

Grace Barrios, of San Diego, lost her purse February 12 while shopping in Lemon Grove. Her shopping tour was in the vicinity of Winchell's on Broadway. She apparently put the purse down and failed to pick it up when she left. It contained a \$50 bill, she said, but she couldn't recall where she left it.

'Meals on Wheels' Project Starts in Valley May 1

The Spring Valley "Meals on Wheels" program will start delivering hot food to those unable to prepare it for themselves about May 1, according to Alex Struthers, a spokesman for the project.

Recruiting for volunteers starts April 1 and a dire need exists for them — especially those with autos.

One hot meal a day will be delivered to persons in Spring Valley and part of Lemon Grove to those persons who may be temporarily or permanently unable to care for their own food needs.

A minimum charge will be made to those able to pay but those who cannot will be given their meals free.

Food will be prepared in the Monte Vista High School cafeteria.

The project is being funded by the S.V. Kiwanis club — \$2,500; Roy and Theo Williams — \$1,000; St. John of the Cross Catholic Church; Catholic Daughters of America, and Trinity Presbyterian Church. Struthers represents the S.V. Kiwanis Club and recently retired from Otay Water District and is now in the real estate business. Roy Williams is the former principal of La Presa school.

Beulah L'Heureaux of Spring Valley is organizing volunteers. Those who want to participate may call Nancy Slack at the Heartland office of "Meals on Wheels" at Grossmont Hospital. The phone is 462-9600.

The Lemon Grove hot meal program is "fully operative and serves seniors at the L.G. Youth Center."

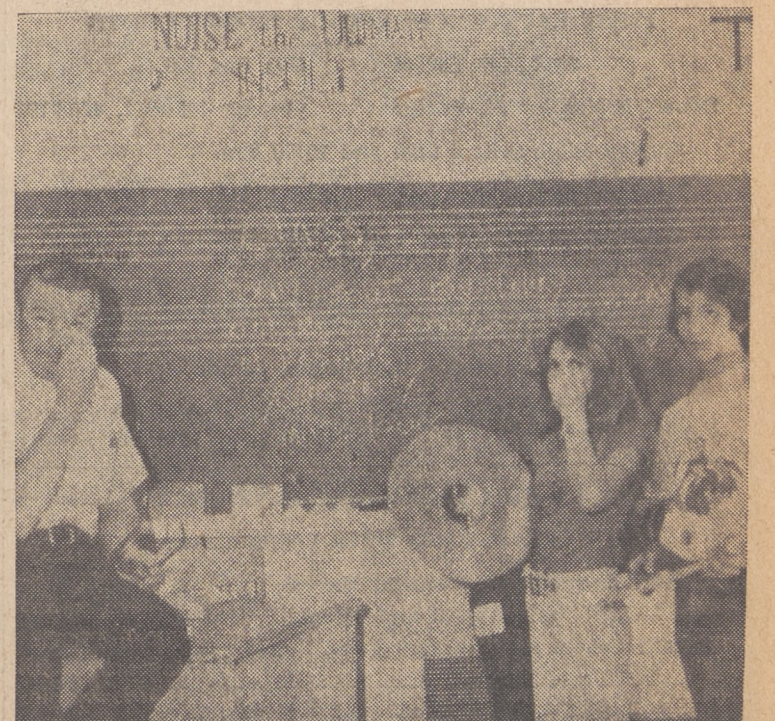

Loss Follows Party

Harold A. Dugan, who lives in a mobilehome at 7070 Broadway, in Lemon Grove, told sheriff's deputies that a Polaroid camera valued at \$150 was taken on the evening of February 11. The loss was discovered after his son entertained friends there.

Automatic Radio Stolen

A thief broke into a 1976 Toyota owned by Harry M. Bastin of 7115 London lane, Lemon Grove and removed the automatic radio-tape player valued at \$99 on February 12.

The door of the car was pried open on the driver's side and the center part of the dash was ripped away to get the instrument out. Bastin was in his residence when the loss occurred.

SORRY BURGLARS — Burglars left a note on the band room blackboard at Lemon Grove Junior High School last Thursday night before making off with over \$600 worth of percussion instruments and a Wollensak microphone. Band Director Harry Weisgerber, left, and two band students, Pam Cluff and Tom Lima, lament over the note. The note said the burglars were sorry about it and they would repay when they were able. The note was signed "a music lover". Weisgerber said he has a policy that no student leave instruments in the band room overnight and added, "if it weren't for that the haul would have been considerably more." Entry was gained by breaking a narrow window in the band room door. It was the first break-in the band room has sustained.

Day of Prayer Set in SV Church

The World Day of Prayer is set for March 4 at 10 a.m. in the Church of the Nazarene, 3310 Bancroft st., Spring Valley.

The theme of the day is "Love and Action" and is in conjunction with world wide programs initiated by Week of Compassion, an organization for the relief and development programs of the Christian Church.

The Indianapolis, Indiana based organization distributed \$171,500 to refugee services, \$184,450 to disaster and material aid, \$70,000 to interpretation and promotion, \$152,400 to strengthen churches and their services, \$374,050 to hunger related problems, and \$159,600 to human development in 1976 for disaster plagued areas throughout the world.

The organization was in Guatemala during the earthquake of February 4, 1976, supported farmers in Sarawak, and distributed 50,000 implements in Sudan.

Child care and refreshments will be provided during the day long observance.

Charles Colson, Eldridge Cleaver To Speak In Arena

Two newsmakers from the late 1960's and early 1970's will appear tomorrow night in the San Diego Sports Arena to describe their transformations into "spirit-filled Christians."

Former Nixon White House aide Charles Colson, the author of "Born Again" will speak along with former Black Panther leader Eldridge Cleaver on Friday evening February 25 at 7:30 p.m.

Cleaver returned to the United States last year from France and spent some time in the Federal correctional institution in San Diego.

The speakers are sponsored by Youth for Christ as a city-wide rally for young people. Tickets are free yet the Youth for Christ Office suggests those interested in attending call the office at 286-4500 for ticket reservations.

Drizzles Measure .05

Drizzles early this week registered .05 inch to bring this year's rain total to 7.36.

Last year, same period, the total was 7.11.

Rain seasons end June 30.

COMING MARRIAGE— Mrs. Erminie Freeman of Glendale announces the coming marriage of her daughter Denise Marie of 3847 Costa Bella ave., Lemon Grove, to Craig Hattox, son of Dr. and Mrs. Frank Hattox of 9485 Tropico dr., La Mesa. Dr. Hattox is associated with the Lemon Grove Medical Group.

Grove Woman in Cast

A new version of Mary Shelley's "Frankenstein" will be shown by the Lamplighters Community Theatre in La Mesa, March 18, 19, 25, 26 and April 1 and 2 at the Ben Polak Fine Arts Center in La Mesa.

Dr. Frankenstein's fiancée Elizabeth will be played by Lemon Grove resident Dorothy DuBois, candidate for the Lemon Grove City Council.

McIlwain Will Play For Lenten Series

The La Jolla Presbyterian Church reiterates the second in the continuing series of sacred organ recitals will be held in the church, 7715 Draper ave. on March 2 from 12:15 to 12:45 p.m.

The second lenten recital will be presented by Craig McIlwain, organist of the Mt. Soledad Presbyterian Church. His recital will include works by Buxtehude, Bach, Mozart, Langlais, and Sowerby.

McIlwain is a senior at La Jolla High School and has been an active organist in several San Diego area churches. Church doors will be open at 12 noon.

Court Teresa Will Meet

Installed in the monthly meeting of Court Teresa of Avila will be Miss Louvina Masters and Mrs. Leona Curley, both of Lemon Grove.

The meeting will be held March 1 at 7:30 p.m. in St. John of the Cross Auditorium. Members will be attending the Lenten Mass in the church at 6 p.m. Soup and bread will be served to court members and their families participating in "Operation Rice Bowl" in the Auditorium after mass.

Also, the Junior Catholic Daughter Courts are sponsoring a bus trip to Universal Studios March 10. \$16 covers the trip which includes admittance to the studio and a visit to St. Sophia's Cathedral. Reservations are through Mrs. Eleanor McCormick, 466-6760 and should be made before March 4.

Skyline Clean-Up Day Set This Saturday

A volunteer work day has been declared for Saturday, February 26 from 8 a.m. to noon at Skyline Wesleyan Church, 1345 Skyline dr., Lemon Grove.

On the agenda is painting, planting, weeding, digging trenches, and general clean up.

A reception of members of the church will be held on Sunday, February 27 at 9:30 a.m. and again at 11. Candidates for membership are invited to a fellowship dinner in their honor at 12:30 p.m. in the Centre.

The Skyline staff has available a tape recording of the highlights of special music presentations made during January. The tape room, no. 103, has copies for \$2.

The women's missionary society requests members to bring old Christmas, birthday or special occasion cards for display on the Missions Table.

A bible study series on Thessalonians I will continue Wednesday, March 2 at 7 p.m. Dr. Rick Hesse teaches the course.

Coming up on April 24 will be a musical performance of children grades one through six. Rehearsals are currently underway 9:30 a.m. on Saturdays. Art and Bev Brown, 460-4695, are directing.

Girl Scouts Gather For 'Scoutacular'

The Girl Scouts of the San Diego and Imperial Councils will reunite in the Mall in Fashion Valley on Saturday March 12 for a City I and City II Association "Scoutacular".

The event begins at 10 a.m. and includes displays, demonstrations, and performances by the scouts.

There's An Answer

The Reverend Dr. Norman Vincent Peale and his wife Ruth Stafford Peale write a new column on a broad range of subjects bothering people today. His column is carried in nearly 350 newspapers and to over a half million people in 100 countries throughout the world.

by Norman Vincent Peale and Ruth Stafford Peale

Fiance has nervous problems
Q: My fiance is 22 years old and has always been nervous. He shakes and sweats and has trouble talking to and getting along with other people. He has no self-confidence.

He sometimes goes into a sort of shell and then gets depressed. I love him for the kind, gentle, sweet person he is. How do I break him of his nervousness and depression?

I think if I cure him of his nervous habits and instill some self-confidence in him he wouldn't be afraid to try anything or do anything for fear of failure. But the big question is HOW? Please tell me how to help him.

A: The problem with your fiance is not necessarily lack of self-confidence but rather an emotional personality organization. It is entirely possible that some unconscious reaction is manifesting itself in the shaking and sweating which you describe.

The reaction is somewhat like that of shivering when one goes from a warm room to the outside on a cold day. But the act of shivering the body is attempting to adjust to the changed climate.

The mind can react similarly. In our judgment your fiance could overcome this trouble by developing a deep spiritual awareness, for that will create a better balance in his essential nature.

We have written a booklet, **NO MORE MENTAL AND EMOTIONAL STRAIN**, that has helped others with questions such as yours, and a copy of it is on its way to you. Anyone reading this column who wishes a free copy may write to: Dr. and Mrs. Peale, Box 500, Pawling, NY 12564.

Retired husband has become a philanderer

Q: We came to Florida to retire. Now that we are settled my husband says he is tired of married life. He wants to be "free as a bird" to come and go as he pleases—no question asked.

He travels to Europe three times a year and spends vacations with other women. I think he has too much free time on his hands, but he does not agree.

He stays slim for the ladies he dines and dances with. He's a sharp dresser, claims he's good looking—charming.

I still love my husband, more than ever. But he keeps pushing me for a divorce, ignores and rejects me and is pushing me out of the home that we own. Please help me. I am desperate.

A: We get two impressions out of your question. From your description of your husband he seems to be a shallow person. And the second impression is that you don't know how to handle him.

How you can love an ephemeral husband is difficult to understand, but sometimes there is no logical explanation for human reaction.

Since you say you love him in spite of his desire to have his freedom, it would seem that your best bet might be to get yourself done over at the beauty shop, spruce up your clothes, and then, if he has his, then find some activities outside your home to keep you busy and make you a more interesting person.

Then, picture yourself going on dates with your "charming" husband.

Sweetheart drinks too much

Q: I have a sweetheart that I love very much. He drinks a lot, really too much to suit me.

But when he isn't drinking he is as sweet as can be. I really need him very much. I love to be in his company when he isn't drinking.

The very times I need him and want to be with him on weekends, and that is when he is drinking the most. And I am all alone and lonely by myself.

I pray that he will stop drinking and will go to church and serve God. Can you help me with this problem?

A: Your sweetheart has a serious problem that could ruin your life as well as his. Sweet as he is when he's not drinking, if he drinks too much and becomes antisocial when he does, he needs to change.

Look up your nearest Alcoholics Anonymous chapter in the phone book and try to interest your sweetheart in attending their meetings. They offer an effective program for overcoming a drinking problem, and it includes a strong religious faith.

Since you aren't married to the guy, if he doesn't improve, we suggest you don't wait around for him on weekends but find other friends and keep busy.

Perhaps you would like to find an answer for yourself to a problem that you can share with others in THERE'S AN ANSWER! If there is something you would like to ask Dr. and Mrs. Peale to discuss in this column, write to them in care of Box 500, Pawling, NY 12564.

Rabbi Discusses Mid-East With Israel Film

Grossmont Community College District's Office of Community Education will present an illustrated talk by Rabbi Melvin Weinman in a program titled "The Middle East: An Overview" at 8 p.m., Saturday, February 26 in the Fine Arts Recital Hall at Grossmont College.

Rabbi Weinman will explore the topics covered in Dore Schar's film, "Israel: The Right to Be". The film traces the work of early pioneers, the various wars, the Arab refugee problem, and the determination of the people of Israel to survive.

The public is invited to attend this informative program. There is no charge for admission.

S.V. Church Projects Spiritual Movie

The Spring Valley Friends Church, Bancroft and Kenwood sts., will show "Engel in Ebony", a 45 minute movie of a converted African on February 27 at 7 p.m.

The movie plot is based on the true life story of Sammy Morris and his sojourn to America in search of the spirit-filled life.

Service Notes

Charles P. Graviss

Navy Hull Maintenance Technician First Class Charles P. Graviss, whose wife, Carol, is the daughter of Ellen Hoppel of 445 Sacramento, Spring Valley, is serving as a crewmember aboard the submarine tender USS Proteus.

His ship, a 574-ft. "floating repair shop" is homeported in Apra Harbor, Guam.

The Proteus is specifically equipped and designed to provide complete service for nuclear powered, fleet ballistic missile submarines.

He and his shipmates represent a crew of maintenance specialists from virtually all the Navy's career fields.

Besides providing technical and mechanical expertise and repair services, the ship also supports the "Shant Service" by replenishing food supplies, movies and recreation equipment, plus by providing medical and dental facilities.

He joined the Navy in November 1970.

Senior Technician

Edward L. Hedberg

Navy Senior Chief Electronics Technician Edward L. Hedberg, whose wife Delores is the daughter of Mandella M. Stark of 7046 Casa lane, Lemon Grove, is a crewmember aboard the Navy's newest destroyer.

The USS Elliott was commissioned Jan. 22 at Pascagoula, Miss.

Hedberg's ship is of a multi-mission design, capable of operating alone or in support of large carrier task forces.

Primarily designed for anti-submarine warfare (ASW), she is armed with two light-weight guns, ASW torpedo tubes and an ASW rocket launcher.

Additionally, his ship is capable of carrying a light airborne multi-purpose sensor helicopter for long range weapons delivery.

The Elliott is the fifth ship in her class. She is named after Lieutenant Commander Arthur J. Elliott II, who lost his life in service to his country while commanding U.S. Navy Riverine Forces in Vietnam.

Hedberg's ship is more than 560 feet long, displaces 7,800 tons fully loaded and can cruise at speeds in excess of 30 knots.

He joined the Navy in December 1956. His ship will be homeported in San Diego.

Quartermaster

William O. Sites

Navy Quartermaster Second Class William O. Sites Jr., whose wife Nina is the daughter of Ray E. Rapp of Spring Valley, is a crewmember aboard the Navy's newest destroyer.

The USS Elliot was commissioned Jan. 22 at Pascagoula, Mississippi.

Sites' ship is of a multi-mission design, capable of operating alone or in support of large carrier task forces.

Primarily designed for anti-submarine warfare (ASW), she is armed with two light-weight guns, ASW torpedo tubes and an ASW rocket launcher. Additionally, his ship is capable of carrying a light airborne multi-purpose sensor helicopter for long range weapons delivery.

The Elliott is the fifth ship in her class. She is named after Lieutenant Commander Arthur J. Elliott II, who lost his life in service to his country while commanding U.S. Navy Riverine Forces in Vietnam.

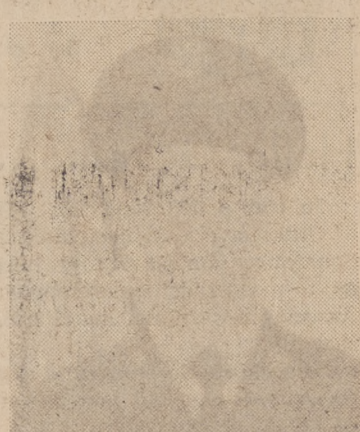

try while commanding U. S. Navy Riverine Force in Vietnam.

Sites' ship is more than 560 feet long, displaces 7,800 tons fully loaded and can cruise at speeds in excess of 30 knots.

He joined the Navy in January 1972. His ship will be homeported in San Diego.

Airman Mark Meyer

Selected for training at Keesler AFB, Miss., in the communications electronics field after completing basic training at Lackland AFB, Tex., is

Airman Meyer

Airman Mark E. Meyer, son of Mr. and Mrs. Donald L. Meyer of 8839 Milburn ave., Spring Valley.

During the six weeks training at Lackland, the airman studied the Air Force mission, organization and customs and received special instruction in human relations.

Airman Meyer graduated from high school in 1975.

Private Jose M. Rico

Marine Private Jose M. Rico, son of Mr. and Mrs. Jose B. Rico of 7634 Church st., Lemon Grove, has completed recruit training at the Marine Corps Recruit Dept., San Diego.

During the 11-week training cycle, he learned the basics of battlefield survival. He was introduced to the typical daily routine that he will experience during his enlistment and studied the personal and professional standards traditionally exhibited by Marines.

He participated in an active physical conditioning program and learned the basics of marksmanship and close order drill. Teamwork and self-discipline were emphasized throughout the training cycle.

He joined the Marine Corps in July 1976.

Airman Robert Lowery Jr.

Airman Robert E. Lowery Jr., whose mother is Mrs. Joan M. Morales of 532 Ruxton ave., Spring Valley, has been

Airman Lowery Jr.

selected for technical training at Sheppard AFB, Texas, in the Air Force aircraft maintenance field.

The airman recently completed basic training at Lackland AFB, Tex., and studied the Air Force mission, organization and customs and received special instruction in human relations.

Airman Lowery is a 1976 graduate of L. D. Bell High School, Hurst, Tex.

Sergeant Henry Bernard Jr.

Now serving at Minot AFB, N.D., with an Aerospace Defense Command unit is Air Force Master Sergeant Henry T. Bernard Jr., son of Henry T. Bernard Jr., of 189 Fairmount ave., Hyde Park, Mass.

Sergeant Bernard, a radar technician, was previously assigned at Alzey, Germany.

The sergeant, a 1961 graduate of Boston English High School, attended Embury Riddle Aeronautical Institute extension at Ramstein, Germany.

Sergeant Bernard's wife, Judith, is the daughter of Mr. and Mrs. Richard H. Allen, 9220 Lamar st., Spring Valley.

Woman's Film Series Begins At G'mont

Grossmont Community College District's Office of Community Education will open a series of films titled "Mirror, Mirror on the Wall: Reflection of Women's Lives in Film" at 8 p.m., Friday, February 25 in the college's Fine Arts Recital Hall.

Each film in the series will feature the various paths followed by a woman in her search for identity.

Opening the series on February 25 will be "Harold and Maude", a love story of a necrophiliac teenager and an 80-year-old woman.

The film portrays their meeting and romance in a fairytale setting accompanied by jabs at motherhood, the military, psychiatry and computer dating.

Other films scheduled for screening during this series include the "Sterile Cuckoo", "Rachel, Rachel," "The Stepford Wives," and "Tell Me Where It Hurts."

The price of admission for the series is \$3. The admission charge for individual performances is 75 cents with tickets available at the door on the evening of each performance.

Red Cross Conducts Heart Class In L.G.

Two seminars in cardiopulmonary resuscitation will be given in Lemon Grove on March 1. The programs are in conjunction with county-wide classes sponsored by the American Red Cross and the San Diego Heart Association.

According to the coordinator of the programs in Lemon Grove, Mrs. Cathy Potter, school nurse for the Lemon Grove school district, the first program will begin at 2:30 p.m. in the auditorium of Golden Avenue School, 7885 Golden Ave.

Mrs. Potter said the programs consist of a movie presentation featuring the film "A Life In Your Hands" narrated by actor Burt Lancaster. The CPR presentation also includes a demonstration of mouth-to-mouth resuscitation. The demonstration is done on the group's mannequin.

The second program will be in the Mount Vernon School auditorium, 8350 Mt. Vernon st., at 3 p.m.

Local Firm Said 'All in Family'

"All in the Family" should be the motto at SGS Real Estate Co. in Lemon Grove. The firm just welcomed into its ranks Mrs. Debbie Hoffman, who becomes an agent in the Lemon Grove sales office at 8100 Broadway.

She not only joins the SGS "family" but will work alongside her parents, Jerry and Betty Krupp, who are also agents in the Lemon Grove office.

Hoffman is joined by newcomers Jim Plymale and Janice Pawlowski who bring the sales force in Lemon Grove to 17.

The local office, one of eight in the county, has done more than \$1.5 million in realty business in the early weeks of 1977 and is headed for a record year, according to manager Don Doyle.

The central business office for SGS is also located at the Broadway address.

Salvation Army Opens Addition

The Salvation Army Men's Rehabilitation Center of San Diego has opened a new addition to the present Red Shield Thrift Store at 101 E. Main st. in El Cajon.

The new shop will be called the "Unique Boutique".

The boutique will carry a wide assortment of unusual one-of-a-kind items in addition to antiques.

Plans have been made to have the "President Doll Collection" on display in the shop.

The collection, as created by Lewis Sorensen, is one of only three in existence in the world. The showing will continue for an indefinite period of time.

The Snake Diet
Some snakes, it is believed, can go for an entire year without eating.

ART SHOW — A display of original works from the Navy Department's Combat Art Exhibit was on display recently at the Educational Cultural Center in the Southeast Community to honor National Black History Month. The display showed minority participation in the Navy as depicted by celebrated Black artists. In the photo are Lt. Davis Dillon, Public Affairs

Officer, USN; Capt. Herh Plowman, Communications Affairs, and Dave Diaz, who once lived on Buena Vista ave. in Lemon Grove and attended 3rd to 7th grade schools there. Diaz attracted attention as a civic worker and former Director and Field Specialist of Federally Supported Programs

PLANT EXCHANGE — The Lemon Grove Woman's Club as a special service to area gardeners will sponsor their second annual free plant exchange on Saturday February 26 from 9 a.m. to 1 p.m. at the Big Lemon on the Corner of Imperial and Broadway. The club sponsors the exchange as community service to gardeners thinning out their landscapes who need new plants and for those who just like greenery. Pictured left to right is Mrs. James Mathews, President of the club; Mrs. Walter Shimp, treasurer; Mrs. Paul Hockenbury, secretary; Mrs. Ashley Barnes; Mrs. J. E. Butler, Garden President; Mrs. Albert Mead; Mrs. Arthur Schott; and Mrs. Harry Leitzow, chairman of the plant exchange.

Area Births

The following is a list of area births recently recorded at Grossmont Hospital.

February 11

Mr. and Mrs. Alfred H. Silva, Spring Valley, a girl, Kristi Rose.

Woodstackers Plan Party Monday Night

The Woodstackers Square Dance club will have a dance party Monday at 8:30 p.m. at the Spring Valley Junior high school at 3900 Conrad ave.

The party is being sponsored by the Swinging Stars of National City and the Square Eighters of San Diego. The caller will be Pat Canet. Mrs. Leighton at 464-3637 may be contacted regarding the party.

Refreshments will be served.

VFW Banquet/Ball Held At Grant Hotel

The banquet and ball for First District Veterans of Foreign Wars will be held in the Grand Ballroom, U. S. Grant Hotel, at 7:30 p.m. Saturday, February 26.

A meeting with the State VFW Commander, C. W. Kelly of San Bernardino, and Mrs. Beverly Weaver, State VFW Auxiliary president, will be held on Sunday at 10 a.m.

The men will meet with Kelly in the Crystal Room and the women will meet the state president in the Pavilion Room.

Reservations are necessary and are secured through Mrs. Vivian Trueb, 3950 Boone st., or by calling Mrs. Shirley M. Weaver, public relations officer for the VFW, 582-1059.

Rummage Sale to Aid Students' D.C. Trip

A rummage sale will be held at the La Presa Junior High school Saturday 9 a.m.-2 p.m. to benefit students making a Washington Study Trip later in the year.

The school is at Jamacha blvd. and Sweetwater rd. in Spring Valley. Those with items to donate may call 460-7482.

Church Women Show Spring Fashions

The Lemon Grove United Methodist Women will sponsor a fashion show of spring and summer ensembles by Fabric Showcase on Saturday, February 26 at 1:30 p.m. in Don Cooke Hall, 3205 Washington st., Lemon Grove.

Refreshments are included for the event and ticket prices are \$1.75. They may be obtained from Len's of Lemon Grove, the Fabric Showcase, and at the door.

Reservations may also be made by calling the church at 466-8065.

Nature Walks Planned

The S.D. Natural History Museum will present a color documentary film this weekend and announced the inauguration of a new nature walk program for senior citizens, starting March 5.

The film, "Billion Dollar Marsh" will be shown Saturday and Sunday, 1:30 p.m. and 3 p.m. in the Museum auditorium. The free-of-charge nature walks will be conducted each Saturday 10 and 11 a.m. and each fourth Sunday of the month at 2 p.m.

This Week's RECIPE

German Hamburgers

By Susanne Williams

Italians use it for fine spaghetti sauce, Greeks will stuff their vine leaves with it, French chefs will sell it to you under unpronounceable names and spicy prices — but Americans will still call it hamburger meat. Such a multi-purpose and international basic delight is bound to stir the imagination of everyone equipped with cooking utensils, so why not try a variation of German hamburgers fancifully called "Curry Klopse"?

1 pound hamburger
1 onion, finely chopped
1 egg
a dash of salt, pepper and

nutmeg each
4 slices of white bread
dried or fresh chopped
parsley
2 tbl. spoons curry

Soak bread in water for 5 minutes. Combine all other ingredients and knead into a dough. Remove bread from water, squeeze out liquid and knead into dough. Form 10 patties and place in broiler. Broil for 15 to 20 minutes under medium heat, turning patties once. Serve with vegetables and potatoes or rice. Delights four people, but be prepared that two non-calorie-watchers might gobble the Klopse up in no time.

Parents Attend Explorers' Meet

Sheriff's Sgt. Chuck Curtis of the Lemon Grove office and Deputy John Scheck, coordinator for all Sheriff's 13 Explorer posts in the county were speakers last week at a Parents' Night Meeting of Lemon Grove Explorer Post no. 2188.

Explorers, which include young women as well as young men, set up displays to show parents Explorer training. A fully-equipped patrol car was on display.

A film, "No Cop is a Hero" was also shown.

Post Advisor Deputy Bob Mars was in charge of the project.

Carport Burglarized

Power and hand tools and an FM/AM radio-tape deck were taken from the carport of Gary Edward Ball, 10181 Del Rio in Spring Valley on February 10, he told police. The loss was \$570, he said.

Woman Loses Charger

While Cathy Jo David, of 1319 Sweetwater rd., Spring Valley, was at work, someone entered her residence through a window and took a battery charger, welding hoses, tires and a box of tools all valued at \$340.

The burglary occurred on February 12 and neighbors provided a description of the man who was seen entering through the window, and Cathy Jo gave police the name of a suspect.

Polish 'Tango' Opens March 1

A Polish farce-tragedy, "Tango" will open a five week engagement March 1 at the Carter Centre Stage.

The Slawomir Mrozek play was selected for the International Season in celebration of the Old Globe Theatre's fortieth anniversary.

The Carter Centre Stage is adjacent to the Old Globe Theatre in Balboa Park.

Directed by Producing Director Craig Noel, performances of "Tango" are scheduled nightly except Monday at 8 p.m. plus Sunday matinees at 2 p.m.

The pivotal character in "Tango" is a university student whose life style is in conflict with the behavior of his family. Their unpredictable, unstructured free-living activities provoke the young man. Their anarchic individualism forces the revolt to reinstate his accepted social moral values.

Playwright Mrozek has taken the age-old conflicts between generations and turned them upside down. Instead of parents restraining offspring, the son reacts against the non-conformity of his elders.

Padres Record-Holder Tries Out With Padres

With just a matter of days remaining before the beginning of spring training, the San Diego Padres have set the number at 45 for the total count on the hopefuls to eventually make the 25-man major league roster.

The Padres, who will report to their spring training site in Yuma Saturday and then hold their first workout on the following day, will open with an official 37 man roster plus eight additional prospects who have been invited as non-roster hopefuls.

Heading the list of non-roster players invited to the camp are former Padre stand-out pitcher Clay Kirby. One of the original Padres back in 1969, Kirby stayed with the club until he was traded to the Cincinnati Reds. Kirby was with the Reds in 1974 and 1975 and then last season toiled for the Montreal Expos.

One of the top pitchers in club history, Kirby still holds several season records and ranks as the top San Diego performer in innings pitched (1128) and strikeouts (802) on a career basis.

Joining Kirby will be three other non-roster hurlers; relief specialist Vic Bernal and starters Bob Shirley and Steve Mura.

San Diego has also extended invitations to outfielder Gene Richards (who appeared at last season's spring camp), infielders Harold Drake and Steve Huntz and catcher Tony Castillo.

The Padres will be going with nine days of drills prior to the opening of exhibition competition as practice sessions will run from February 27 to March 7 with the first spring game taking place in Yuma on Tuesday, March 8 against the California Angels.

El Cajon Jaycees Set Fair Dates

The El Cajon Jay Cee's have set June 1-5 as the dates for the 27th East San Diego County Fair. "Barry" Herriott, President of the Jay Cee's, announced that this year's Fair will be "Revitalized" and for the first time in three years the Fair will feature a live stock show.

"Many new Jay Cee members are helping to put some enthusiasm and 'zing' in this year's show which also will include a new carnival and rides, many new commercial exhibitors and some special entertainment," Herriott said.

The Fair will be held at the same location as previous years, the South end of Gillespie Field next to Cajon Speedway.

Harness Racing Opens At Los Alamitos Wed.

The Southern California Racing Assn kicked off its sixth annual spring harness meeting at Los Alamitos Wednesday with the west's best pacers and trotters taking to the state's only five-eighths mile oval.

General Manager Dan Downs lined up many exciting events for the 58-night season including a revised Hot To Trot/Share The Purse night each week, a \$1 off admission night, a food bazaar weekly and the very popular T-shirt giveaway for March 15.

Every Monday throughout the season will be Hot To Trot/Share The Purse night with fans sporting bumper stickers on their cars eligible to share in the purse of a harness race every Monday.

Each Wednesday (beginning March 2) will mark \$1 off night with grandstand admission reduced by that amount while each Thursday will feature a \$2.85 food bazaar with such specialty nights as Italian Food Night, Western Food, Irish Food, Mexican Food and Greek Food among others.

Phoenix-Roadrunners On Arena Ice Tonight

Coach Ron Ingram and the San Diego Mariners will try to use home ice to their advantage as the local skaters have two crucial games scheduled on Sports Arena ice this week.

The Mariners take a 20-6-2 home ice record (33-25-2 overall) into games this week against the Phoenix Roadrunners and the Houston Aeros.

Phoenix will take on the Mariners tonight. It is Fashion Valley Team Picture Night with the first 5,000 fans attending the game receiving

Bing Joins Kathy For Crosby/Honda S.D. Golf Tourney

It's going to be Kathryn Crosby's Tee Party and husband Bing will be doing the swinging during the \$165,000 Kathryn Crosby/Honda Civic Ladies Golf Classic March 23-27 at Whispering Palms.

Tournament chairman Don Ross announced that Bing will be one of the celebrity players for his wife's Tee Party that will be held at part of the 72-hole event. Twenty celebrities will join the low women pro players for the final 36-holes Saturday and Sunday.

Bing, who now rarely plays publicly, is going to receive strong family support during his two rounds from sons Nathaniel and Harry Lillis, who both will play.

Other celebrities already committed for the event are Phil Harris, Lawrence Welk, Don Knotts, Greg Morris ("Mission Impossible"), Jack Alberson ("Chico and the Man"), Delores Hope, wife of Bob Hope, also will play.

The tournament carries the second largest purse on the LPGA tour and all of the top women professionals are expected to compete.

Season tickets are only \$12 and admit to the pre-tourney pro-am and all four competitive rounds including Kathryn Crosby's Tee Party. The season ticket price provides a savings of \$13 if daily tickets were purchased individually.

Ticket outlets include all Honda dealers, Stanley Andrews stores, Robinson's Select-a-Seat outlets, all military bases, USD and Sears stores, Golfers Exchange, Pro Golf Discount, all pro shops and branch offices of Bank of America, Home Federal Savings and Loan, San Diego Federal, La Jolla Bank and Trust Co. and Women's Bank.

Proceeds from the tournament will go to the scholarship fund of the Philip Y. Hahn School of Nursing, University of San Diego.

S.V. Pony Players Can Sign Up Now

The Spring Valley Pony League will have tryouts and continuing registration on consecutive Saturdays — February 26 and March 5. Candidates may register and tryout on either of those days.

Tryouts and registration will be from 9-12 a.m. both days, at La Presa Jr. High at the corner of Jamacha rd. and Leland st. in Spring Valley. The Pony phone is 460-7538 or 479-8829.

Registration forms may be obtained any time at S.V. Fire Station No. 3, 905 Gillespie dr.

Food Stamps Stolen
Patricia Ilene Fraser, 2110 Massachusetts ave., Lemon Grove, reported to police that her home had been burglarized on February 14 while she was away and her food stamps, worth \$80 had been taken. The point of entry could not be ascertained.

a full color, 8 x 10 team picture of the 1976-77 Mariners.

The Roadrunners and Mariners have played each other 7 times this season and San Diego holds a 6-1 mark including a win in the last meeting of the two teams, a 5-2 decision over the Arizona team last February 13 in San Diego.

Saturday night the rugged rivalry between the Mariners and Houston Aeros continues. Last Friday and Saturday the Mariners lost back-to-back games to the Aeros in Houston, 4-2 and 5-3. Both games were tied going into the last period and the final decision could have been in favor of the San Diegos both nights instead of defeats.

Tickets for both games are on sale at the Mariners office at the Sports Arena (9:00 a.m.-6 p.m.) and at all Select-a-Seat locations in San Diego county.

S.V. Bobby Sox Needs Everything

The Spring Valley Bobby Sox team needs managers, coaches, chaperones, sponsors, advertisers and girls. Especially girls.

Players can sign up until March 1 by calling 466-0066; 461-5137; 479-8852, or 460-3343.

Teams will be announced March 4 at a pot-luck dinner at Mt. Miguel High school at 6:30 p.m.

All interested persons are invited to attend the dinner, meet the managers, coaches and the team. Player agent is Pat Kellog at 466-0066.

Jerry Smith Chargers New Line Coach

Jerry Smith, coach of the Baltimore Colts defensive line that led the NFL with 59 quarterback sacks in 1975 and had the league's second highest total of 57 in 1976, has been chosen as defensive line coach of the San Diego Chargers, head coach Tommy Prothro announced.

Smith, 46, has been a professional coach since 1960, when he was on the staff of the Boston Patriots in the first year of the American Football League. He has been with six other professional teams, including Baltimore, which he joined in 1974. Smith had a 2-3 record as interim head coach of the Denver Broncos after Lou Saban resigned with five games remaining in the 1971 season.

Smith coached linebackers and the offensive and defensive line for Buffalo from 1962 through 1968, a period in which the Bills made four post season playoff appearances. They defeated the Chargers 20-7 for the 1964 AFL championship and 23-0 for the 1965 AFL championship. Baltimore won AFC East championships in 1975 and 1976.

Smith was a linebacker at U. of Wisconsin from 1948 through 1951. He was selected by the San Francisco 49ers in the eighth round of the 1952 NFL draft of college players. Smith played guard and defensive tackle for the 49ers in 1953 and 1953, served in the U.S. Army the next two years, and was with the 49ers and Green Bay Packers in 1956.

Friars' Sales Soar

Season ticket sales for the San Diego Friars are more than double last year's final total.

Allan Kingston, general manager, said that the team had sold 612 season tickets, compared to 258 in 1976, and that he expected to double that figure by the home opener April 28 against Los Angeles.

"When it was announced that Bjorn Borg was going to play World Team Tennis, there was terrific season ticket response," Kingston said.

The Friars offer season ticket plans starting at \$47.50, which includes an additional opening night ticket and a special clinic with San Diego star Rod Laver.

San Diego plays 18 home matches at the Sports Arena and the season goes from April 28 to August 13.

TAKE FIVE

By John E. Wirges

Measured to Lee Trevino's scale, Padre first baseman Mike Ivie is a man of courage. Not just the physical guts all working athletes display on the field of play, but the deep-down inside courage that comes from one who is in complete control and faces all tests.

Trevino's judgment concerns golfers. He faced a tough measure for courage. What, on earth, constitutes bravery in a golfer?

SuperMex has an answer. "A brave golfer," he claims, is one who wears white pants in the Mexican Open after he drank the water."

On Sunday last, Mike Ivie and an assortment of Padres journeyed to Tijuana for a benefit baseball contest against an equally wide assortment of pros and semipro from the Los Angeles area.

Be it known to one and all, Mike Ivie drank the water and was wearing white pants. He also drank some beer. (After the game, of course).

The measure of Mike's courage is not a concern for Padre fans. He, and all other who move up to major league play, display working grit all the time. Few, if any, even though to match Ivie against Trevino's measure. Even though he happily passed with flying colors.

What did bring smiles to assorted Padre brain trusters in attendance at the Tijuana doing was the swiftness of foot and clarity of eye that produced a pair of stinging base hits.

The Padres head into spring training this weekend and most of those living in the San Diego area have been working out, in varying degrees of self-punishment, in preparation for the demands of National League play.

Ivie looks to be ready for the opening bell right now. And to really lighten the load, so do many others.

Alan Foster, who has been battling the hurts most of the last two years, pitched a painless inning, retiring the side in order while recording a strike out over former major leaguer Rod Gaspar.

Foster claims to have beat the pain that troubled him these last two long years. "I've been working out with weights to build strength in my arm," he said. "I know I'm going to pitch somewhere this year."

A realist, Foster can see the competition among Padre moundsmiths this year. The shakedown through spring training might well produce the best mound corps in the league.

Cy Young award winner Randy Jones looks to be fully recovered from his muscle problem, Dan Spillner pitched free of pain Sunday after a back operation placed a question mark beside his name, and former Padre pitching star Clay Kirby gave a remarkable imitation of his former stuff by striking out a pair during his hitless inning of work.

Pitching coach Roger Craig, who had a tremendous influence on Kirby when he first came up to the Padres and seems to have rekindled the combative spirit in his former pupil, will have 23 "arms" to judge at the Padre's Yuma training camp. Only 10 or less will make the club. And most of those positions are nailed down, so to speak.

Brent Strom, Dave Freisleben, James, Spillner, "Rookie-of-the-Year" Butch Matzger, Reentry reliever Rolie Fingers, Dave Tomlin, Tom Griffin and Rick Sawyer have to be "beaten out" of their berths.

Kirby might do it. And Foster. And then there's a whole flock of young, strong arms that demand honest measure.

The Padres seem to violate the ancient baseball maxim that one never has enough pitching. They are mound rich. Others are not.

One would guess that a trade would be in order. The Padres could use bench strength, a left-handed power hitter, and perhaps an insurance infielder.

Spring training gets under way this weekend with the first full workout set for Sunday. Ten days later John McNamara's crew host the California Angels in their exhibition opener. It's baseball time.

Only in Buffalo did they believe spring would never get here.

Hollypark Gold Cup Purse is \$300,000

Hollywood Park, which established a single meet record by distributing \$10.7 million in purses during its 1976 racing season, will offer horsemen more than \$11 million in stakes and overnight races during the '77 meeting that begins April 13.

Vernon O. Underwood, chairman of the board, and F. E. Kilroe, director of racing, has announced that 47 stakes for a total in excess of \$3.2 million and a program of overnight competition worth more than \$7.8 million are scheduled for the 76-day Inglewood season.

First of three \$200,000 events will be the Hollywood Derby, third leg of the California Golden Triple, which will be run April 17.

The Hollywood Turf Invitational Handicap (Memorial Day, May 3) and the Swaps Stakes (July 3) also will be \$200,000 affairs.

A pair of \$150,000 races on the grass — the Cinema Handicap for three-year-olds and the Sunset Handicap for older runners — will bring the '77 campaign to a close when they are presented, July 24 and July 25, respectively.

There also are six \$100,000 added races on the stakes slate.

Books to Burn By
The first French cook book was written in the 17th century by Francois Pierre de la Varenne.

Car Wash to Aid Helix 'Old Grads'

Helix Class of '67 — the old folk who graduated a decade ago, will wash cars at the Young Filling Station at 4209 Spring st., La Mesa Saturday 10 a.m.-1 p.m.

Cars will be washed for \$1. Proceeds will go to the Class of '67 reunion.

50-Mile Ride On PVRA Sked

The Poway Valley Riders Assn. will sponsor its 3rd annual 25 and 50 mile Earthquake Endurance Ride on April 2, 6:30 a.m.

The ride will begin and end at the club grounds of PVRA in Poway, (25 miles N.E. of San Diego) and will cover the hills and canyons around the area, plus Lake Poway. It will continue through orange and avocado groves. At some points on the ride, it will be possible to see the ocean 20 miles away.

Many spot veterinary checks will be made and there will be a one hour mandatory stop for those taking the 50 mile ride.

The 25 mile ride is open to any rider and horse team that has not completed a 50 mile endurance ride. The 50 mile ride is for rider and horse teams that have successfully completed at least one 25 mile endurance ride.

For entry forms contact Ride Manager Russell Sheldon, 14325 Midland rd., Poway, 92064, or call him at (714) 748-7037.

Salaries Of Top City Officials Tower Over Gov. Brown's Meager \$49,000

If the new city of Lemon Grove follows the example set by other California cities, it will go broke paying salaries. A study compiled by the California Taxpayers Association shows more than 200 local government officials earn more than \$49,100, the current salary for the state's top elected official, Gov. Jerry Brown.

The study is a follow up to an earlier effort which found 895 top state-level officials were making more than the Governor.

From the data collected it was found:

- of the 207 local officials collecting \$49,000 plus, only seven were elected. The rest are hired.
- The highest paid local government employee was Ralph M. Brody, manager and chief counsel for the Westlands Water District in Fresno. His salary is \$81,500.
- About half of the top paid positions are held by county employed doctors. The Top Neurosurgeon in Kern County earns \$70,000 per year.

—L.A. County has 78 per cent of the top-paid employees.

—The seven top paid elected officials are the mayor of Los Angeles, \$55,000 per year; the mayor of San Francisco, \$53,106; and the five L.A. County supervisors, \$49,166 per year each.

—And in San Diego County, the chief administrative officer makes \$50,628.

BoA Names Official

Bob Emerson has been appointed assistant manager of the Lemon Grove Bank of America last week, a bank spokesman said.

Emerson, a native of Montana, holds a B.A. in history and served in the US Army as first lieutenant. He joined the Bank of America in 1973 and has been a loan officer at the S.D. Main office for the past 2½ years.

Pete Chacon to Aid District Taxpayers

Assemblyman Pete Chacon has California personal income tax forms at his District Office.

Chacon alerted taxpayers to several State tax law amendments passed by the Legislature last year.

"This year's State tax form includes a low-income tax credit and a change in the renters' credit. In the past, the credit has been based on personal income, but it has now been set at a flat rate of \$37," he said.

"Please feel free to call or stop by my District for any information or assistance," said Chacon, whose office is located at Suite 207, 5106 Federal blvd. Telephone requests may be made by calling 263-2148.

The Doggie Set

For many years in Scotland only earls or higher royalty were allowed to own deerhound dogs.

Two State Agencies Initiate Water Conservation Programs

Water conservation policies were introduced last week by two state agencies.

The State Public Utilities Commission adopted an emergency water conservation program for companies under its jurisdiction. The order applies to 96 per cent of the customers served by the companies.

The Department of General Services announced that the routine washing of state vehicles and cleaning of state buildings will be reduced. It is estimated that the 2 measures will lead to a savings of 1.3 million gallons of water.

Under the Utilities Commission's program consumers are encouraged to obtain free-of-charge water conservation kits from the individual companies. The companies are required to forecast availability of water supplies for 1977.

Water rationing plans and drafts of local ordinances to enforce these plans are to be

submitted by the companies to the Commission.

Water saving kits consist of two plastic toilet tank displacement bottles, a shower flow restrictor and 2 vegetable dye tablets. They will be distributed to customers willing to use them.

According to the commission the situation dictates interim emergency consideration since assumptions on the 1977 water supply proved to be over-optimistic.

Lawn-Killer in S.V.

L. M. Cunningham of the An-kirk Dev. Co. reported to the sheriff's office on February 14 that someone had dumped chemicals on the lawn in front of a multi-family development operated by the firm at 10130 Austin st., Spring Valley, killing all the grass.

He said it would cost \$200 to resod the place.

Double Listing For Spouses

Pacific Telephone will make changes in the new phone book listing both first names of husbands and wives.

Previously only the husband's name was listed.

The new plan goes into effect March 14 but the new listings won't be available in East County phone directories until the new one is published next fall.

The dual listings will cover any two residential customers with the same surname living at the same address.

Also among the changes in the new phone books, customers may have nicknames listed along with their legal name.

If husband or wife want a separate listing there will be a 40 cent per month charge assessed by Pacific Telephone.

Pacific-Tel district manager George Platt said he changes were due to changing social identification needs.

Club Fetes Woman Who Aided Sheriff

A Lemon Grove woman received an award for citizen participation from the Spring Valley Kiwanis Club during its recent "Law and Order Day."

Estella Kramer of San Altos place had successfully prevented a burglary here some time ago and helped 2 police officers to arrest the 3 youths involved.

Sheriff's detective Rick Lindsay and deputy sheriff Tommy Bovensiepe were cited for outstanding duty.

CF Foundation Elects

The S.D. County Chapter of the Cystic Fibrosis Foundation elected officers and board members last week for its 22nd year of activity in the community.

Among the continuing members of the board is Roger Talman, businessman of Lemon Grove.

Cal. Law Requires Drivers to Stop For School Buses

Captain C. M. Douglas, area commander of the California Highway Patrol this week reminded motorists to stop for school buses displaying flashing lights while loading or unloading school children.

The law requires that the driver of a vehicle stop when meeting or overtaking, from either direction, any school bus displaying flashing red lights even though there are no children visible. Drivers must not pass a school bus until the flashing stops.

Even if the driver leaves the bus you must wait until the red lights are turned off because the bus driver often steps out to make sure the roadway is clear of children before turning off the flashing red lights.

Motorists should also use caution in passing a stopped school bus when the red lights are not operating. There is always the possibility of children darting into the street that were not supposed to be crossing — going to the mailbox, etc.

The CHP asks that motorists take that extra few seconds to be cautious before passing and stopped school bus.

Miss Lemon Grove Contest to Start

A call went out this week for young ladies who would like to represent Lemon Grove for the coming year.

"It isn't just a beauty contest," said Craig Lake, Miss Lemon Grove Contest chairman said. "And it is not a search for the prettiest face or the shapeliest figure — although that counts. It is a competition to find the young lady who can best represent this community for the coming year. She will be the person with beauty, grace, charm, warmth and friendliness who can show loyalty to Lemon Grove."

With incorporation just ahead, the year will be historical.

He said that fear of criticism of peer groups may prevent some girls from entering the contest. Some of the critics simply don't have the courage to try for themselves, he said. The contest itself is presented with dignity and grace by a capable group, he added.

It will be conducted in such a manner that participants will be pleased to have their families in attendance, he said.

Mary Jo Byrne is present Miss Lemon Grove.

Application blanks are available at the office of this newspaper at 7834 Lester ave., Lemon Grove or they may be obtained by calling 464-2109.

5 6 7 8 9 10 11 NOON 1 2 3 4 5 6 7 8 9 10 11

Electricity costs more when everyone uses it at once.

This time of year, more people use more electricity between 4 p.m. and 9 p.m. than during any other time of day. A lot more. SDG&E calls it the "peak demand" period and it's important because it can affect your electric bill.

The peak peaks because everyone in the family seems to find more ways to use electricity around dinnertime. The peak costs money because SDG&E must be prepared to meet everyone's needs at

once. Usually, this means using less efficient generating facilities.

SDG&E wants you to know about some of the things we will be doing to level off peak demand. Because these efforts can help to hold down your future electric bills.

Right now, SDG&E is working with very large commercial and industrial electricity users, trying to help them shift some of their uses to less busy times of the

day or night. Since business, industry and government account for about two-thirds of SDG&E's total electric demand, this could be a big help.

However, most of the demand between 4 p.m. and 9 p.m. comes from residential users. Like you. For this reason, SDG&E will soon begin asking you to help level electricity peaks too.

You can help by doing things that require electricity

at times other than around dinnertime. Things like washing and drying clothes, running the dishwasher, baking and ironing. And be especially sensitive to unnecessary lights and unwatched TV sets.

Holding down peak demand can do a lot to hold down electricity costs. SDG&E will be telling you more about how to do it in the months ahead.

Mitchell Leads Speech Team to Fifth Place Pace

Bob Mitchell of Helix High School swept first place in "A" division with his presentation in dramatic interpretation leading the Helix High Speech Team to a fifth place showing at the Fallbrook Invitational Speech Tournament.

The tournament was held on February 4 and 5 at Fallbrook high and included speech teams from 18 other San Diego area high schools.

Also in Division "A", George Machado placed first in programmed reading and Dawn-etta Fischer took fifth.

Fischer additionally placed seventh in Original Oratory.

The "B" competition, Helix continued to fare well with Ken Devany placing fourth in Extemporaneous and sixth in Impromptu presentations.

The Fallbrook competition leads to major competitions later this month at the State Qualifying Tournaments, Helix High correspondent Erin Conlee reported.

Tuttle Appointed To Post On Grossmont College Bd.

A former Grossmont College Board of Trustees Member has agreed to fill the unexpired term of Portia "Peg" Goode and has been appointed by a 3-1 margin to fill that position.

Karl Tuttle, a one term on the Grossmont Board serving from 1969 through 1973, will accept his duties immediately. Tuttle has also been the mayor and city councilman of El Cajon.

There was some dissention on the Board of Trustees over Tuttle's appointment. Board Member Sydney Weiner voted against the appointment on the grounds he believed more time should be given before a successor was named.

Weiner advocated taking the

fourth runner-up in the upcoming March 8 election for trustee where three Board vacancies will be decided.

The board ruled out the possibility of holding a special election due to the cost of such a venture, between \$14,000 and \$20,000.

Tuttle was confirmed by a 3-1 vote of the Board of Trustees and will serve until March 31, 1979.

Youthful Inmates Have Fewer Peers In Prison

SACRAMENTO — Admissions to the California Youth Authority increased by 4.6 per cent during 1976 but the CYA total ward population in institutions and on parole showed a drop during the year.

CYA Director Pearl S. West said the decline in the population was due to a number of other factors — drops in the average length of stay and a reduction in the number returned to institutions for parole violations.

The average length of stay in institutions for the some 3,558 youthful offenders was twelve months. This is a drop from 1975 statistics which show 12.7 months as an average.

The population is up from 3,402 in 1975 to the present figure of over 3,500.

Parole violations were down 1,415 in 1975 to 1,111 in 1976.

Also, female wards declined, releases increased 13.9 per cent, and first commitments increased from a low in 1971 of 65 per 100,000 to 84 per 100,000.

DMV Is Selling

Consumer Catalogs

SACRAMENTO — A catalog for the consumer which sold out in November is now available through the Department of Motor Vehicles.

"The Complete California Consumer Catalog" covers some 40 topics of interest to consumers including advertising, contracts, door-to-door sales, employment agencies, life insurance, mobilehomes, warranties, and a few pages of tips on what is described as "the second largest purchase most people make after buying a home", the automobile.

The catalog is a 194 page publication resembling a turn-of-the-century mail-order catalog and has been put together by the State Department of Consumer Affairs.

It can be purchased at all DMV offices for \$1.50 a copy. It can also be obtained by mail from the Department of Consumer Affairs Publications Section, P.O. Box 20191, Sacramento, Ca., 95820.

Double-Dip on Waite

A thief forced open the side door of the motorhome belonging to Elton James Jones, apt. 34, 7035 Waite dr., Lemon Grove, and tore out his AM/FM cassette valued at \$150. The dash was ripped in the process.

The loss occurred between 1-8 a.m. while he was sleeping in his apartment.

Later, Bill Lewis Bacon, apt. 13, same building, reported that a window of his car had been opened to get at his AM/FM cassette worth \$147.

SCHOOL BOARD BUDGET — Lemon Grove School Board Candidate Paul Copeland donated February 14 a copy of the Lemon Grove School District Budget to the Lemon Grove Branch of the County Library. Copeland, left, is handing the 1976-77 budget to librarian Neal Clifford. He has been campaigning since December to open the books of the Lemon Grove School District and claims now to have kept his promise to distribute the budget document.

Bus Will Roll Feb 3 For 7th, 8th Graders in Grove Schools

Bus service for seventh and eighth graders in the Lemon Grove School District will begin next Wednesday morning March 3.

The Board of Trustees met Tuesday night and approved a contract from Aztec Bus Lines for the leasing of a 73 passenger bus to accommodate the students for the remainder of this school year.

Assistant Superintendent for Business, Paul Reynolds, told the Board the contract was the least expensive received by his office adding the cost to the district would be roughly \$20 per day.

"The bus we are getting from them will definitely fit into our fleet," said Reynolds, "It is a 1962 vintage. You'd be hard pressed to tell it from one of ours."

Reynolds reiterated the bus passed California Highway Patrol requirements and school district checks.

Dr. Robert Sutton, Superintendent, said district drivers would control the bus and stated the plan to extend hours for current employees rather than hire a new driver.

Sometime early next week eligibility will be determined and notes will be sent out to parents.

Lemon Grove Junior High School principal Louis Poluzzi said the parents must sign the notes before their child.

Bike Safety Offered At Golden Ave. Fri.

A bicycle safety program sponsored by the Automobile Club of Southern California will be held Friday at Golden Avenue School, 7885 Golden ave.

About 100 Lemon Grove students are expected to participate in the program designed to curb bike injuries, encourage greater rider responsiveness, and to test over-all riding skills.

The testing will begin at 9 a.m. of bicycles with a modified dynamometer, which will be used to check wheel and frame alignment, spokes, bearings, and brakes. Handlebars, grips, lights, and reflectors will also be checked at the same time.

The testing is free.

dren will be allowed to ride the bus.

"Passes will be issued to those eligible to ride," said Poluzzi, "no pass, no ride."

Miss Spring Valley Contest is March 16

Spring Valley's entry in the 32nd annual Fairest of the Fair Pageant will be selected Wednesday, March 16 at Monte Vista High School at 7 p.m.

Sponsor is the Spring Valley Rotary Club. Joe Stevens has been named contest chairman and he will be assisted by Tim Timmerman.

Stevens said contestants must be between the ages of 17 and 21 and never have been married. Doris Boyar, county-wide Pageant coordinator, also pointed out that entrants must be bonafide residents of Spring Valley.

The Fairest of the Fair, to be selected from 25 community representatives Sunday, May 29, will reign over the 88th annual S. Cal Expo at Del Mar, June 21 through July 4.

Major prizes will be a trip for two to Hawaii and guests of the Kona Hilton Hotel on the Kona Coast.

Entry blanks can be obtained from Stevens at 469-9616 or by writing to him at 9816 Campo Rd., Spring Valley or at the office of this newspaper at 7834 Lester ave., Lemon Grove.

Erin McLaughlin currently holds the Miss Spring Valley title.

\$\$\$ Booze is Loot

A white male, about 25, with an Afro hairdo, pointed a .45 blue steel automatic handgun at the clerk in the Grove Liquor store, 7245 Broadway, Lemon Grove and demanded money on February 11 about 11 p.m.

Richard Scott Bohnton, 53, said the robber told him "Take it easy, Pop, and you won't get shot; but I'll kill you if I have to."

With that he demanded the contents of the registers — about \$65 — then took a bottle of Jack Daniels whiskey from the shelf and fled. The whiskey was worth \$10.33.

Ask Your C.H.P.

CHP Capt. C.M. Douglas

Here is a new weekly feature.

It's about your life and safety while you are on the area's streets and highways.

We have chosen circumstances where, in recent past, motorists have seemed to err.

We asked California Highway Patrol Area Commander C. M. Douglas to approve or criticize the action taken by the motorist in question.

The questions concern specific places which are familiar to all who live here. Read Captain Douglas' answers carefully and abide by them for better highway safety.

You are invited to ask questions about questionable practices — either about your own or someone else's.

You don't need to sign your name. But write. If you can't adequately describe the problem in mind, give us your phone number and we'll call and help with phrasing it.

All is in complete confidence, if you wish. The idea is to give you help, not to criticize you.

The newspaper phone is 460-0101.

This week's question and Captain Douglas' answer:

Question:

At Broadway and Imperial

El Capitan Team Will Rock For Donations

The second annual "Rock-A-Thon" by the El Capitan Las Vaqueras Drill Team will be February 25 and 26 in the girls gym, room 290 of El Capitan.

The girls will be rocking for 25 hours seeking pledges and donations. They will begin at 4 p.m. on February 25.

Donors of \$1 or more will have their names placed on a sponsor sheet in the gym.

Additionally there will be a drill team pizza night March 1 at the Straw Hat Pizza in the Parkway Plaza East. Half of all proceeds collected between 5 and 9 p.m. will go to the drill team.

There will be live entertainment featuring folk singers and the girls.

Lemon Grove Library Offers School Plays

The Lemon Grove Library will conduct a series of preschool programs for children between three and five years of age. These program will begin on Thursday, March 3 and will continue every Thursday through March 31.

They will include stories, films, flannel board presentations, songs and fingerplays. As a special treat the final program will be a puppet show entitled "Hansel and Gretel".

Interested parents may register their children in advance at the Lemon Grove Library, 7735 Pacific ave., phone 463-9819.

Nadine Smith Wins Lions Speech Prize

Nadine Smith, a junior at Mt. Miguel won the club level Lions Club 40th annual Student Speaker contest last week.

Runners up were Doris Staybrook, a junior and Natalie Riddick, a senior. All are students of the Mt. Miguel Speech Department under Myrna Goodwin.

Chairman for the event, which was attended by Lions Club members and their wives, was Bob Russell, past club president and past district governor.

Topic of this year's contest is "Government of the People, By the People — Fact or Fiction?"

A total of \$11,300 will be distributed in scholarships by Lions Clubs this year including those who make it to the top.

in midtown Lemon Grove, the intersection has left-turn pockets with arrows. The sign approves U-turns. Driving west on Broadway at New Jersey, there is a left-turn pocket but no lights. Neither is there a sign. Can a U-turn be made there?

Answer:

Yes, a U-turn can be made at an intersection unless otherwise posted, but not in the middle of the block in a business district.

RAILROAD (Cont.)

sure until the ICC meets," he added. "If it goes through the company could sell the line or rip it out. The Santa Fe will still service San Diego but they will have to go through the main yard in Los Angeles to do it. That adds a lot of time to the trip."

The 17 miles of track between San Diego and El Cajon usually carries 42 to 48 box car loads per week.

Affected by abandonment would be a survival equipment factory in La Mesa, beer distributors in El Cajon, and an El Cajon Montgomery Wards outlet.

The official said SD&AE railroad has been steadily laying off employees since September. The railroad staff has been cut by 150 employees.

"Our force has been cut in half," the official explained, "half have already been cut off and are in the unemployment lines. The rest of us are sitting around waiting for the ICC decision."

"If the people in Lemon Grove, La Mesa, and El Cajon want to keep service in the area," he added, "those people are going to have to get somebody to those hearings in Washington."

Shot Fired Through Lemon Grove Residence

When Robert Steven Buchanan, who lives in an apartment at 7131 London lane in Lemon Grove, heard a popping sound about 8 p.m. on February 11, he gave it little thought until he noted a hole in the front window. Police responded to his information and found a hole in the opposite wall which had been made by the bullet — possibly a .38 calibre one as it passed through, they opined.

Buchanan wasn't through with police service, however. The next day he reported that a thief had entered his car by opening a window and took a cassette player and speaker worth \$60.

Joy A. Aldridge, who lives in the same building, told sheriff's deputies that a thief the same night had broken into her auto by way of a window and removed a Timex watch and a buck knife inside. The loss, she reported, was \$70.

Polka Party Planned

The public is invited to a Polka Party at the California Ballet Centre, 8276 Ronson rd., Kearny Mesa, Saturday 8 p.m.

The party is sponsored by the California Ballet Assn. and will feature Karl Kochishan and his Bavarian Beer Garden Band, plenty of beer, free-of-charge snacks, and a no-host bar. Donations of \$3 for adults and \$2 for youngsters is expected.

'Short Eyes' Show Title

The New York Drama critics Circle Award winning play "Short Eyes", a portrayal of prison life, will be performed at the Balboa Park Puppet Theatre March 3 through 27, Thursdays through Sundays.

The play, by Miguel Pinero will be presented by the California Pacific Community Theatre. Curtain time is 8 p.m. For tickets call 234-0944.

Drug Abuse Campaign Is State Agency Plan

S.D. health specialists and the California State Office of Narcotics and Drug Abuse will conduct a state-wide drug abuse prevention campaign through the media in March and April to inform the public on the proper and thoughtful use of prescribed and non-prescribed drugs.

The campaign will include 4 TV commercials, 4 radio commercials, brochures, posters and a slide-show which are to convey the message that only doctors can tell how and when to mix medicines; that doctors prescribe for patients only; that alcohol and drugs do not mix, and that questions should be asked of doctors and pharmacists on the nature and effects of drugs.

Community involvement activities will feature an old time medicine show wagon and a "medicine man" acting as the campaign's spokesman.

A pre- and post-evaluation study will be conducted to measure the impact of the campaign.

Cable 4's "Profiles" Interview Celebrities

Cable Channel Four will present on February 23 author Paul Billheimer as featured speaker for "Profile", a weekly interview program of religious leaders.

The 15-minute interview will be aired at 12:45 p.m.

On March 2, the program will interview Howard Conatser, the president of Dallas Baptist Pastor's Conference. That program will be aired at 9:45 p.m. and presented again at 12:45 p.m. March 7.

Dean Jones, actor in television, stage, and motion picture productions will be interviewed March 9 at 12:45 p.m. and at 9:45 p.m.

The program is hosted by Cable Channel Four's general manager, Bill Gruher.

ORDINANCE NO. 4844 NEW SERIES

AN ORDINANCE ADDING SECTION 81.08.5 TO THE SAN DIEGO COUNTY CODE RELATING TO SUBDIVISIONS SERVED BY THE OTAY MUNICIPAL WATER DISTRICT AND DECLARING THE URGENCY THEREOF
The Board of Supervisors of the County of San Diego do ordain as follows:

Section 1. The Board of Supervisors of the County of San Diego hereby finds and declares as follows:

(a) On February 7, 1961 (116), the Spring Valley Sanitation District and the City of San Diego entered into the Sewage Disposal Agreement of 1960, whereby the City was to construct the Metropolitan Sewerage System ("Metro System") and Spring Valley was to lease and have the right to discharge 6.0 million gallons per day (MGD) "average daily flow" over a yearly period of sewage into the Metro System.

(b) On June 20, 1972 (4), the Spring Valley Sanitation District executed a second agreement with the Otay Municipal Water District which authorized Otay to temporarily connect and discharge Otay's sewage into the Spring Valley sewer system, said agreement to terminate on September 14, 1975.

(c) On October 14, 1975 (1), the Spring Valley Sanitation District executed a second agreement with the Otay Municipal Water District which authorized Otay to temporarily connect and discharge 0.700 MGD "peak flow" of sewage into the Spring Valley sewer system, said agreement to terminate on September 14, 1978.

(d) The City of San Diego is specified as a party to both agreements but has not and has not executed either agreement.

LEGAL NOTICES

(e) For the fourth quarter of calendar year 1976, the Otay Municipal Water District was discharging approximately 0.336 MGD average daily flow of sewage into the Spring Valley sewer system.

(f) As of December 1976, the Otay Municipal Water District had issued letters of intent to provide additional sewer service which, when totaled with the existing sewage discharge referred to in (e) above, would exceed 0.700 MGD average daily flow of sewage discharge through the Spring Valley Sanitation District sewer system.

(g) A sewage discharge of 0.700 MGD average daily flow would normally result in a peak flow of 1.4 MGD. If no special procedures are adopted to attenuate the peaks, which amount is twice the discharge authorized under the agreement referred to in (e) above.

(h) The agreements between the Spring Valley Sanitation District and the Otay Municipal Water District were temporary in nature and the parties understood that Otay would secure other means of disposing of the sewage emanating within Otay's service area, and said other means have not been secured by Otay.

(i) Any additional discharge by the Otay Municipal Water District into the Spring Valley Sanitation District sewer system will reduce the amount of capacity available to territory served by the Spring Valley Sanitation District.

(j) Insufficient contractual sewer capacity exists in the service area of the Otay Municipal Water District to warrant any further subdivision of land in unincorporated areas which would receive sewer service from Otay.

Section 2. Section 81.08.5 is hereby added to the San Diego County Code to read as follows: Sec. 81.08.5. SUBDIVISIONS RECEIVING SEWER SERVICE FROM OTAY MUNICIPAL WATER DISTRICT.
(a) Except as specified in paragraph (b) hereof, any other provisions of this Title 8 to the contrary notwithstanding, no tentative map or tentative parcel map shall be received for processing by the Planning Commission or Director of Land Use and Environmental Regulation, nor shall any tentative map or tentative parcel map be approved by the Planning Commission or Director, if such map proposes a subdivision which intends to receive sewer service from the Otay Municipal Water District, as said District exists now or may hereafter be modified, unless:

(1) The Director of Public Health determines that the proposed lots may be adequately served by a private subsurface sewage disposal system, or

(2) Such map is being refiled after expiration pursuant to Section 81.09 or Section 81.08.5 of this division, or

(3) Such map is being submitted as a replacement map pursuant to Section 81.11 or Section 81.09 of this division, or

(4) Such map covers exactly the same property as is covered by a previously recorded final map, or any portion thereof, and the tentative map to be accepted for filing contains no additional dwelling units above that specified in an adopted Specific Plan.

(b) No tentative map or tentative parcel map received prior to the effective date of this section by the Director of Land Use and Environmental Regulation shall hereafter be approved unless it contains a condition that the final map or parcel map shall not be approved unless the Board of Supervisors finds that all sewage emanating from the proposed subdivision will be disposed of other than into the Spring Valley Sanitation District—Casa de Oro Trunk Sewer.

(c) The prohibition specified in paragraph (a) of this section shall not apply to a written application for an extension of time filed pursuant to Section 81.08 or Section 81.07 of this division.

(d) For purposes of this section, a tentative map or tentative parcel map is "received" on the date when the applicable fees are paid and the map is stamped "received" by the Department of Land Use and Environmental Regulation.

(e) It is intended that the prohibitions contained in this section shall be temporary and shall be removed when the Otay Municipal Water District has secured a means of disposing of the sewage emanating from within Otay's service area other than into the Spring Valley Sanitation District—Casa de Oro Trunk Sewer.

Section 3. URGENT CLAUSE. This ordinance is declared to be an ordinance necessary for the immediate preservation of the public health and safety within the meaning of Section 3751 of the Elections Code and shall take effect immediately. The facts constituting such necessity are as follows:

The Casa de Oro Trunk Sewer of the Spring Valley Sanitation District cannot transport more than 0.700 MGD "peak flow" of sewage from the service area of the Otay Municipal Water District. The Otay Municipal Water District has issued letters of intent to provide sewer service which, when totaled with existing sewage discharge from Otay, exceed 0.700 MGD "average daily flow."

The limitations of existing facilities require the prohibition of further subdivision of unincorporated land discharging into the Otay sewer system until Otay has secured a means of disposing of that sewage other than into the Spring Valley Sanitation District—Casa de Oro Trunk Sewer.

Section 4. Before the expiration of fifteen (15) days after its passage this ordinance shall be published once with the names of the members voting for and against the same, in the Spring Valley Bulletin, newspaper of general circulation published in the County of San Diego.

PASSED, APPROVED AND ADOPTED this 10th day of February, 1977.

JIM BATES
Chairman of the Board of Supervisors of the County of San Diego, State of California

The above Ordinance was adopted by the following vote:

Supervisor Tom Hamilton voting "Aye"
Supervisor Lucille V. Moore voting "Aye"
Supervisor Roger Hedgecock voting "Aye"
Supervisor Jim Bates voting "Aye"
Supervisor Lee Taylor being absent and not voting
ATTEST my hand and the seal of the Board of Supervisors this 10th day of February, 1977.

NOTICE OF HEARING ON PROPOSED ANNEXATION TO THE SPRING VALLEY SANITATION DISTRICT (GEORGE MORAN JR. ANNEXATION)

NOTICE IS HEREBY GIVEN that the Board of Directors of the Spring Valley Sanitation District of the County of San Diego has set for March 9, 1977, in the North Chamber of the Board of Supervisors, Room 310, San Diego County Administration Center, 1600 Pacific Highway, San Diego, California, as the time and place for hearing on the proposed annexation of the Spring Valley Sanitation District. The territory which is the subject of and will be affected by said annexation consists of approximately 0.98 acre, generally located north of Harness Street, east of Canyon Road; south of Helix Street; and west of Grand Avenue, in the County of San Diego, State of California. A description of the boundaries of the affected territory and other particulars relating to said annexation is on file at the office of the Clerk of the Board of Supervisors of the County of San Diego as Document No. 534868 and may be examined by any interested person. Any person desiring to make written protest against said annexation shall do so by written communication filed with the Clerk of the Board of Directors not later than the hour set for hearing; a written protest, if a handwritten shall contain a description sufficient to identify the land owned by him; a protest by a voter shall contain the residential address of such voter.

IN HIGH SCHOOL RACE—Ernest P. Miller, 38, vice president and regional manager of San Diego Federal Savings and Loan Assn., where he is assigned to the South Bay Regional office, is seeking a post on the Grossmont Union High School District Board of Trustees. He lives in El Cajon with his wife, Bonnie and two sons. James is a senior at Valhalla and Daniel is an 8th grader at Montgomery Junior High. Miller is a member of the 20-30 and the San Diego City clubs. He was appointed to the City-County Camp Park Authority by San Diego Mayor Pete Wilson. He holds memberships in the National City Chamber of Commerce, The Systems and Procedures Assn. and the American Management Assn. — the latter two are associated with the banking profession. He is active as a Little League and Pony League coach.

28 Rounds on Boxing Card At Coliseum

Boxing resumes at the Coliseum in downtown San Diego Friday night where promoter Danny Millsap's schedule shows 28 rounds of boxing.

Headliner is a 10-round junior lightweight scrap with Jose "Speedy" Gonzales of Miami going against Miguel Ruiz of Tijuana.

An unusual attraction—the first time ever in the Coliseum—two women will indulge in a welterweight bout. Lady "Tiger" Tiamere of San Pedro take on Gwen Hibler of New York. They will weigh in at about 142 each.

In a 6 round featherweight match, Manuel Castinello of Santa Ana meets Sonny Meza of Tijuana.

A junior middleweight bout has Bert Lee of Potrero meeting Jorge Falero of National City in 4 rounds.

A heavyweight 4-round wind-up has Dave Wynne meeting Verly Price. Both are San Diegans.

Millsap said a card would be offered on a two week's schedule from now on. The going rings at 8 p.m. and a discount is offered seniors, juniors and military.

Roman Gladiators Is Groaner Match

There's to be a Roman Gladiator bout Tuesday night to top the wrestling card at the San Diego Coliseum.

You'll hate yourself for asking, but that's where the winner will not only have pinned his opponent, but he must drag him to each of the four corners, touching the rings posts in the process.

Victor Rivera and Roddy Piper meet for this historic event.

A grudge bout (don't ask why they're mad at each other) will be between the karate expert Tora Tanaka and Chavo Guerrero.

In other meetings, Keith Francis grapples with Dr. Hiro Ota; El Tigre is matched with the Hangman—both are masked, and a newcomer, Tank Patton—get it—Tank Patton faces Terry Sawyer.

Bouts start at 7:30 p.m.

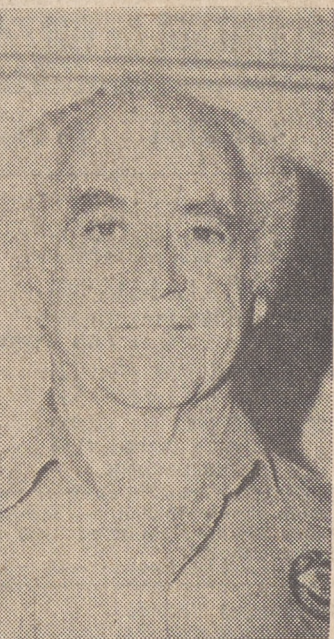

New House Burglarized

Tools valued at \$320 were taken from a newly-constructed but not yet occupied home at 10325 Campo rd. in Spring Valley on February 12, it was reported by Clifford O. Schrank, the builder.

The thief entered through a narrow, unglazed window.

"I have 16 years of business experience which should serve the District well," Miller said. "I coordinated the construction of San Diego Federal's 22-story building in downtown San Diego and have built a number of homes myself as a private entrepreneur. "At San Diego Gas and Electric Co., where I was associated before joining S.D. Federal, I was director of planning and data processing and went on to becoming director of management engineering prior to assuming my present duties as the bank's regional manager.

"All of these responsibilities fit the job description of every school trustee post. "I know how businesses and organizations should be operated. I know business from payroll and cost procedures to full responsibilities. I know how firms are made up and have they

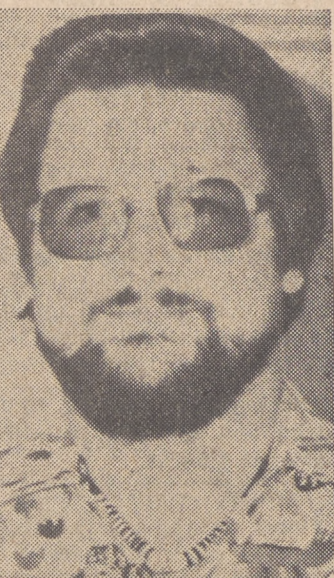

COUNCIL CANDIDATE IS CONSULTANT —Leo Bodin, 62, a semi-retired quality control consultant in manufacturing, lives at 2770 Dennis lane, with his wife Bea. Their two children are adults and away.

He retired from Lockheed Aircraft in Burbank in 1971 and became a consultant when he needed to augment his income. He sold his property in L.A. when he retired and moved to Lemon Grove.

He is an avid reader, a devotee of the symphony orchestra and a gardener. He is presently working a device — writing the procedures for a firm as a consultant — the will revolutionize the garbage disposal industry.

It is an under-the-sink device that is powered by the water used to flush it. A large distribution firm has already contracted to handle the device as soon as the market-testing on it is completed.

"I feel that because of my temperament, experience and knowledge I am qualified to do a forthright and honest job as a counselor. "I think those of us who are

WANTS TO BE REELECTED—Craig Lake, 29, lives at 1524 Skyline dr. with his wife of a few days, Rita. He and Miss Mahon were married Sunday in a private wedding.

Lake, who has lived in Lemon Grove since he was three months of age, went through Lemon Grove schools starting with Monterey Heights and L.G. Junior High. He was active in gymnastics in Jr. High and played violin in the orchestra.

At Mt. Miguel High school he was in speech and drama starred in senior plays for two years. He took business administration courses for two years at Grossmont College.

He is manager of the family-owned trophy and badge business. The firm was started in the Grove Theatre building in 1961. During that time he worked

have to be organized to accomplish whatever they're in business for.

"Grossmont District is the same as any big business. There have to be procedures and controls. People must have responsibilities and they must be held accountable for the responsibilities they accept.

"The school district spends \$45 million of the people's money a year therefore, board members must conduct themselves with complete fiscal responsibility. I can bring that skill, knowledge and responsibility to the board.

"The board should operate as a board of directors would in successfully operating a profit oriented business. In my opinion the greatest need of the district right now is for people with big business experience to become involved on the board to better serve the public's interest."

elected should call ourselves counselors rather than councilmen because we are going to be counselors to the residents when the new city is formed.

As a counselor I would attempt to retain and protect the unique character and flavor of Lemon Grove with its semi-rural atmosphere.

"I have spoken to other candidates and I agree with Jim Dorman and Jack Doherty that small businesses—they will provide more half of the new city's income — should be assisted and protected in anyway possible.

"I think the council should encourage businesses to come to our new city if they can provide merchandise or services that are not now available. The object would be to make it possible for our residents to do all of their shopping at home. We must remember that part of the dollar we spend in the city for sales tax comes back to us for the betterment of our town.

"I have read some of the statements of other candidates and I join in being appalled by the waste that is in some levels of government. We must be careful and honest about our income and expenditures. I shall work for unified trash pickup at a lower rate than is now charged.

"The city council must find ways to enhance the quality of life for our senior citizens.

"In short, I want to help make Lemon Grove a happier place where its citizens have easy contact with its government and whenever possible I shall use my vote to achieve these goals. I will be prepared to meet with and listen to every citizen who has anything to say but they will be informed that I will, by my nature, vote my own conscience."

as a structural designer at General Dynamics on night shifts and worked in the badge and trophy business by day. He began putting full time in at the store in 1969.

As a member of Kiwanis International, Lake served as Mt. Miguel Key Club advisor for four years and was named "Kiwanian of the Year" by the Key Club in 1970. He was appointed by the Kiwanis District Governor as Key Club Division Chairman of San Diego County. The Key Club is a Kiwanis sponsored organization of high school students.

Lake is on the board of directors of the L.G. Chamber of Commerce; member of the S.E. Kiwanis club; member of the Old Time Days Committee; chairman of the Miss Lemon Grove Contest, and a member of the L.G. Planning Assn.

He holds a California State Teaching Credential and taught retarded children in a work-ready engraving

program. He was elected to the L.G. School District school board in November to fill the unexpired term of John Linn.

"I realized the importance of the school board job after I was elected," Lake said. "I think few people appreciate the amount of study and research it takes to properly serve on the board.

"Of matters that came before the board during my short tenure, I believe I voted judiciously, keeping in mind the interest of the students.

"I supported resumption of bus service to students who live a reasonably great distance from school. Tired students cannot function any more than a tired employee. In the case of the youngsters, it's a one-time-through situation and we must pour as much education into them as they are capable of taking. They can't take much when they are tired.

Set in the proper perspective, funds necessary to operate and maintain buses are within budgetary boundaries.

"I am opposed to wasteful spending and excessive salaries.

"I think my youthful point of view is welcomed by the board. I have no obligations to special interest groups that could influence my decisions in their behalf."

EYES H. SCHOOL BOARD—Don Hunsaker, 46, a professor of zoology at S.D. State U., is a candidate for the board of trustees of Grossmont Union High School District.

He lives in El Cajon with his wife, Ann. Three of their children were graduated from Grossmont high schools. Another one is now in junior high.

As a research scientist at SDSU Hunsaker works with graduate students in addition to his teaching.

He works at county and state levels in fish and game conservation. He also works with many private groups and organizations on conservation matters. Hunsaker has written papers on vertebrates—their vocalization and other means of communication. Some of his graduates are working on a project to understand the communication between killer whales. This work is being done at Sea World.

Another group of his students are attempting to revitalize the almost extinct breed of peregrine falcons here are only 9 nesting pregrines left in California). When Hunsaker was graduated from Texas Tech, U., he went to work for General Telephone in Texas as an office boy and worked his way up through the corporate structure to the post of district manager.

"To that extent I have had solid training in corporate management policies and

finance," Hunsaker said. "Corporate intelligence is vital to conservation of public funds although the end product is educated youngsters — an end result we must never lose sight on," he said.

"At the time I was in management at General Telephone, I was also on the school board at Del Rio, Texas. There, the issue of integration came before the school board. We resolved that successfully.

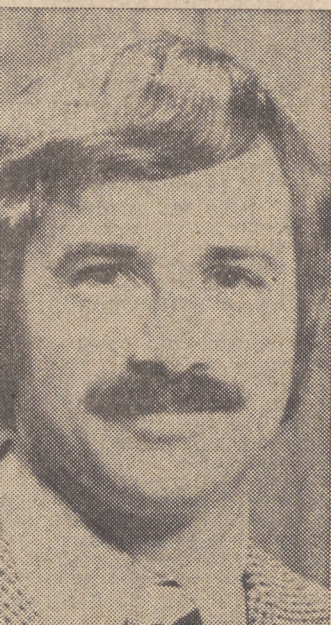

"When I came to San Diego I served on the Santee school board where I was president for five years. We experienced rapid growth problems but we had a harmonious board. Growth is part of the problem in the Grossmont District. Lack of harmony is also a problem. As a person experienced in dealing with both of these elements, I can probably produce a better relationship among teachers, administration, and the board, than now exists.

"I am not a sitter-at-home. While on the school board at Santee I was usually out at night on special school board business. I know that trusteeship requires work. Lots of it!

"I edited a book, "Conservation Education" which establishes a teaching plan for elementary and high school programs which concerns itself with environmental concepts. I know curriculum.

"As a person experienced in school board operation, I know what can and what cannot be done. And I know that one man cannot make a great change in the system... but I would give leadership in that direction. "The famed International Rotary concept is a good one. It asks, 'Is it fair to all concerned?' That, too, is my philosophy. You simply can't benefit one segment at the expense of another. When used at school board level it means a lot of listening to the public as well as to the administration and the educators.

"Without that characteristic no group can operate successfully. As a board member of the Grossmont Union High School District I would implement that philosophy."

SCHOOL TRUSTEE CANDIDATE —Charles "Chuck" Pennell, 38, lives at 2115 Craig court with his wife, Suzie and their two chil-

dren. The children are first and sixth graders at Mt. Vernon school.

Pennell is assistant director for the San Diego County Department of Substance Abuse. He has lived here two years.

He was narrowly defeated in a November election to replace John Linn, who had moved from the district. He is presently on the school District's Goals Committee and is an assistant coach in the Mesa Valley Grove Ponytail Softball League. He is secretary and on the board of directors of Lemon Grove's EPIC (Effective Problem Intervention Center) organization. He is a member of the Mt. Vernon PTA and of the S.D. State Alumni Club.

He is past regional representative to the State for National Association of Social Workers. He was director of DEFY (Drug Education for Youth) — a million dollar program funded by county and state. More than a hundred thousand youths went through the educational element with several thousand undergoing treatment. DEFY's "Hot Line" was one of the most active aids of its kind before it was integrated with the Department of Substance Abuse. "I have worked for the county 12 years during which time I have been given increasing responsibility. I now have the responsibility for a Substance Abuse budget that is larger than that of the Lemon Grove School District.

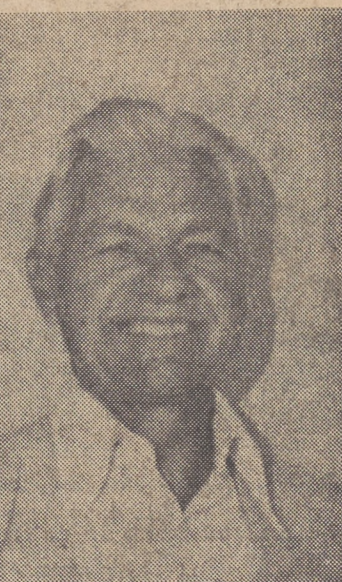

"I have been regularly charged with eliminating the fat from the budget and have used available funds for providing the muscle which is making the program successful. The importance of the program is the number of narcotics users in the county—roughly 20,000. Last week I was required to develop a day-care program for drug users with a tab of \$87,000.

"Some of the key things in my job are the same as those school board members must face," Pennell said. "I am responsible for budget development, program evaluation, legislative analysis and resource development. The latter job is discerning where the money is coming from when programs are proposed.

"As a new board member I would have a respect for the opinions of veteran members. I would be distressed if I were to be on the losing end of a series of 4-1 votes.

I am aware that as a board member I must represent the community and that the determination of the people who support our schools should be heeded within fiscal limits. I believe that those who are sincere supporters of schools are as sensitive to these needs as I. A continuing exchange of ideas with a concerned public should give a sense of direction to all trustees. "Policies arrived at through an honest, open discussion will contribute to board harmony, a condition I consider desirable. "School business is the pub-

lic's business and in the matters of educating our youngsters, this business is as important as any in this country."

FOR L.G. CITY COUNCIL—Dell Lake, 57, a candidate for city council, retired from the Navy in 1958 and later retired from 16 years in business, has lived in Lemon Grove 29 years. He lives at 1506 Dupont dr. with his wife Stella.

Lake is past president of the L.G. Kiwanis club; served two terms as president of the L.G. Chamber of Commerce, and was president of the L.G. Old Time Days Assn.

He is also past president of the California Classified State Employees Assn. and a two-year member of the L.G. Fire Protection District Assn.

He is serving his fourth year as a member of the Assessment Appeals Board. He is a member of the American Legion Post in La Mesa and the L.G. V.F.W. Post.

For many years he called square dances locally. He and his son Craig have operated a badge and trophy firm in Lemon Grove. Craig has been operating it since his father's retirement from the firm.

"I have worked on many L.G. Kiwanis committees and got to know the various needs of the community," Lake said. "We worked with senior citizens and youth groups. As Kiwanis president my committee and I engineered the opening of the Youth Center for local youngsters. There is still a drastic need for young people to meet in Lemon Grove. As councilman, I would be vitally aware of that need.

"I have had experience in government as a board member of the fire district. The low tax rate and high efficiency of the department is evidence that the same procedures and policies would be followed by me on the city council.

"As an active retired person I would be able to spend the time necessary to aid in efficiently running the city's business.

"Since choosing personnel as well as the ability to handle a budget are matters familiar to me, my service should be helpful to other members of the council and to the people the council chooses to handle the day-by-day operation of the city," Lake said.
